Testimony in support of of HB 6962, AN ACT CONCERNING FIREARM SAFETY.

Senator Coleman, Representative Tong and members of the Judiciary Committee, thank you for reading my testimony. My name is Robert Andrews. I live in Preston and I'm concerned about the possible use of firearms left unsecured.

For most of my life, I've owned and used firearms. I always stored my firearms in a safe and protected way. Years ago, at the home of a friend, I was present when a young person found and fired a handgun while several people were nearby. No one was hit but everyone present that day undoubtedly remembers the event and feels as I do that the homeowner was guilty of a serious error in judgment. I am sure we all realized that had someone been injured, the homeowner would have had to bear complete responsibility.

Please support this bill.

Thank you,
Robert T. Andrews
